

NEW TK SPANISH PROGRAM

NOW IN THE WOODBRIDGE COMMUNITY AT 26 LAKE ROAD, IRVINE

Listening and speaking are prioritized, especially at this early developmental stage, mirroring how children acquire their first language. Activities are designed to encourage children to understand and use Spanish, with plenty of repetition and modeling by the teacher. Children will learn through basic communication skills, greetings, numbers, daily routines, and common vocabulary through practical use.

Spanish ENRICHMENT IMMERSION

TK STUDENTS MUST BE 4.5 YEARS OLD BY SEPTEMBER 1

This enrichment class is taught exclusively in Spanish, with the teacher using the language for all instructions, activities, and interactions.

A language-rich environment will be created where Spanish is used in natural and meaningful contexts.

Instruction will take the form of a supportive, play-based environment with fun and interactive activities.

Children who take this enrichment class will foster early Spanish fluency, comprehension, and a love for learning the language and culture.

The teacher is a native Spanish speaker with experiences in early childhood education, ensuring age-appropriate and engaging instruction.
